WOMEN'S RESOURCE CENTER announces its newest program "Outreach to Women Military/Veterans"

Wayne, PA January 2, 2014 - WRC newest program "Outreach to Women Military/Veterans," Funded by grants from the Phoenixville Community Health Foundation and the Chester County Fund for Women and Girls.

"We are pleased to be able to offer assistance to these valiant women who have served our country during these trying times." says Michele W. Daly, Executive Director, Women's Resource Center.

This program seeks out women veterans in order to inform and offer assistance through WRC's services, such as referral services, legal, counseling and career development services as well as information on programs geared to their specific needs. These services help women to access resources in their communities, address legal issues such as child support and employment issues, secure counseling for stress, anxiety, and depression, and learn skills needed for a successful job search. The goal is to help these women obtain self-sufficiency, providing safe secure homes for themselves and their families. All programs are offered at low or no cost to participants. For more information call 610-687-6391.

Since 1975, the **Women's Resource Center (WRC)** has been committed to supporting women and girls during life's transitions. Services include: Information and Referral, Legal Consultations, Counseling, Parenting Support, Career Development Services, Girls Leadership and outreach to women veterans/military, all at low or no cost www.womensresourcecenter.net
