

Legacy Society

Information for Your Financial Planner

Thank you for your interest in including the Women's Resource Center in your plans. The mission of the Women's Resource Center is to assist women and girls to successfully navigate life transitions and to inspire others to do the same. By providing resources, tools and support for today, we provide hope for tomorrow. We are thrilled that this mission resonates with you. Your gift will help ensure a strong financial future for the Women's Resource Center for years to come.

As you know, the Women's Resource Center has been a pioneering provider of services for women and girls since 1975. With your support, we will continue to innovate and deliver quality services that respond to the needs of women and girls.

Our legal name is **Women's Resource Center** and our federal tax-exempt identification number is 23-1997488.

The Women's Resource Center would appreciate a copy of your will once it is finalized (or at least the section pertaining to our organization), and the name and number of your attorney if you are using one to prepare your will. Sharing this information is optional, but please be assured that it will be kept in confidence should you choose to share it.

We strongly urge our donors to consult with an attorney, financial advisor, estate planning professional, accountant or other appropriate professional before finalizing any material decisions. We are happy to help discuss the type of impact you would like to have through your gift, and to support you along the way. Thank you once again for your interest in taking this fulfilling step, and in so doing, becoming a valued member of the Legacy Society.

Sincerely,

Cheryl Brubaker
Executive Director
