Dear Ms. Ambrose,

On behalf of the women and girls we serve, I thank you for your generous donation to the Women's Resource Center in the amount of \$2,000.00, given by check, number 1118 and dated December 6, 2022. We are grateful to you to have donated to us as part of the Main Line Newcomers Club and your Holiday Luncheon. Please look out for communication about our Breakthrough Breakfast event in the spring to which you are invited to attend! You are also welcome to learn more about us by following us on social media (@womensrc) and signing up for our newsletter on our website, womensresourcecenter.net.

The Women's Resource Center gives women and girls the tools needed to navigate life's obstacles and opportunities. When women and girls achieve resilience and incorporate leadership skills, not only does it build confidence, it also builds community.

WRC envisions a world where all girls and women and their families have the chance to improve their lives. By providing support for today, we create hope for tomorrow. You are a part of changing lives.

Please know that WRC remains in a tax-exempt status and no goods or services were provided in connection with this gift.

Your kindness means a great deal to us and to the women and girls we serve. Once again, thank you for your support. This donation is truly appreciated and is such a great help for our clients to see a brighter future

Sincerely,

Cheryl E. Brubaker
Executive Director
