

# Girls Lead →

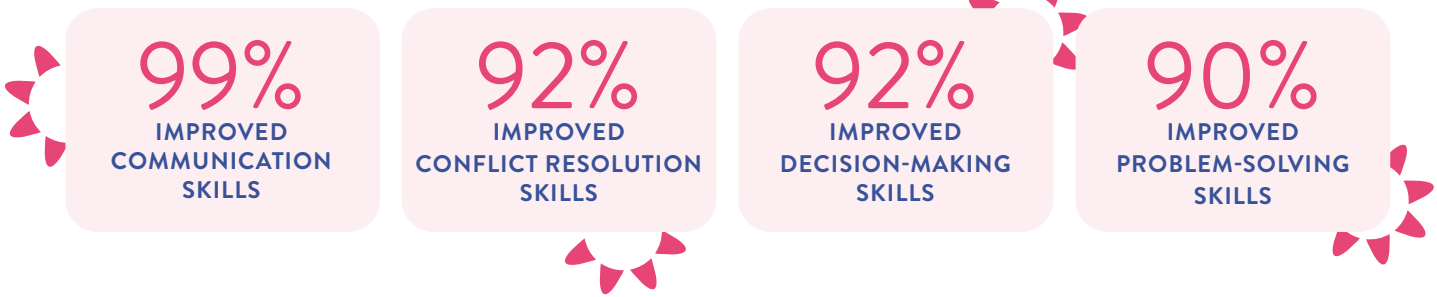

Girls Lead is a transformative program dedicated to empowering **young women to become confident leaders**. Through our **18-week sessions**, participants will develop essential leadership skills, engage in meaningful advocacy projects, and connect with a network of like-minded individuals.

Participants: Students with **untapped leadership potential**, students that **experience gender discrimination** (including girls, trans students). Max ~25 per cohort.

During an 18-week session (October-April), participants will learn the four core skills through activities, games, discussion, and an ongoing leadership project with topics ranging from racism, sexism, literacy, and mental health awareness — the sky's the limit!

By the end of the program, participants saw significant improvement in the four core skills:

## Who?

A cohort of up to 25 students, from middle school to high school, of marginalized gender identities with untapped leadership potential.

The program ends with a conference in April.

## Expectations of schools who participate:

- ✓ Nominate students
- ✓ Send parents flyer & electronic permission form
- ✓ Create a schedule for the weekly meetings with a Girls Lead facilitator that best suits the needs and availability of your school
- ✓ Staff are welcome to observe the meetings

**Note:** In February, we will plan to schedule a short meeting with an administrator to review and approve the student's project idea

## Our funders include:

- ✿ CCRES (Chester County Regional Education Services)
- ✿ Charles M. and Joan R. Taylor Foundation
- ✿ The Community's Foundation
- ✿ Dolfinger-McMahon Foundation
- ✿ Ethel Sergeant Clark Smith Memorial Fund
- ✿ Hoxie Harrison Smith Foundation
- ✿ Main Line Reform Temple Brotherhood
- ✿ PECO
- ✿ Phoenixville Community Health Foundation
- ✿ Radnor Educational Foundation
- ✿ Wilbur C. and Betty Lea Henderson Foundation

## Stay connected with the Remind app

A Girls Lead facilitator will keep you informed and inspired throughout the program using the Remind app.
