

Stephanie McCullough is founder of [Sofia Financial](#) and co-host of the award-winning [Take Back Retirement](#) podcast. One of Investopedia's Top 10 Financial Advisors of 2023, Stephanie provides non-judgmental, truly holistic financial planning for professional women. She has found that women “of a certain age” are faced with a particular set of problems around the goal of retirement, especially those facing it on their own. Her mission is to empower women to make wise financial decisions so they can control their future, and thus she speaks to women’s groups regularly.

Stephanie is married with two kids in their 20’s, and has degrees from Duke University and the Johns Hopkins University School of Advanced International Studies. Follow Stephanie @sofiafinancial and www.sofiafinancial.com.
