EVENT DETAILS

Thursday, April 18, 2024

8:30-10:30 am

Philadelphia Country Club, Gladwyne

Fireside Chat with Kim Jenson

Kim Jenson is SVP, COO at Raymond James and will share her engaging story with us.

Helping women of all ages to successfully navigate life's challenges!

The WRC Breakthrough Breakfast raises funds that help the Women's Resource Center provide information and referral, low cost legal support, counseling, financial stability services, and girls leadership programs. Last year, our outreach in knowledge, resources, and support numbered over 3,500 connections to women and girls to help overcome life's challenges.

Over the past twelve years, our annual fundraising event has raised more than \$1,100,000 for services that directly impact women and girls in need in the five-county Philadelphia region, thanks to the generosity of participants like you.

We look forward to seeing you again at this inspiring event. Use the code on this card to enjoy \$10 off the regular ticket price and feel free to share with your friends and family.

Sincerely,

Cheryl Brubaker, Executive Director
